ON BEHALF OF THE SIGNERS
BY THE
NEW YORK COMMERCIAL
Admiral George Dewey, U.S.N.

The undersigned citizens of Greater New York and vicinity, in common with all citizens of the Republic, deem it a great honor to extend to you, our greeting and welcome upon your safe return to the United States, and to express our highest regard and gratitude for your achievements for our country as Commander of our Naval forces in the far East during our recent war with Spain.

In the BATTLE OF DAMIEN BAY the victory gained by our forces under your command not alone brought you immortality in naval annals but it was the beginning of events destined to place our nation in the foremost position in the direction of international affairs, especially in the development of that gigantic commerce between the West and the awakening Orient which promises to be the grand characteristic of the coming Century. We have watched with pride and admiration the wisdom, judgment, and discretion with which you have represented the interests of the United States during the difficult weeks which lay between your destruction of the Spanish fleet and the completion of the peace negotiations, and in recognition thereof we beg you to accept, as an expression of our sincere appreciation of the supreme services you have rendered to our country, this SOUVENIR to which we have affixed our signatures.
The President of the United States, and the members of his Cabinet take pleasure in joining with the citizens of Greater New York and Vicinity in this tribute to Admiral George Dewey in recognition of the valued services he rendered to his country while acting as Commander of the Asiatic Squadron during our recent war with Spain. ★ ★ ★ ★ ★
